Recycled cellulose napkins range

In order to increase our attention towards environmental sustainibility and eco friendly product, we want that also our products range do reflects this engagement this is why we launched our range of 100% recycled cellulose paper napkins.

Using recyced wadding paper gives several advantages since it does not require the cutting of trees, there is less waste to the landfill and less power use (about 4 times less) and furthermore less water use (about 6 times less compared with a product made of on virgin fiber).

Using recycled napkins helps the environment and allows us to be more sustainable! Recycled paper napkins are available in the following formats: 17x17 1 PLY, 17x34 1 PLY, 24x24 and 33x33 2 PLY, 40x40 2 and 4 PLY.

They are personalizable 1 and 2 colours with your logo.
